## Noteworthy News

from the Music Dept.

**INSTRUMENTS:** Please help your student to remember that they need their instruments every Monday, Wednesday and Friday. Not bringing your instrument to class, or your instrument not being in playing condition, will result in a zero for the day. In addition, students should also be prepared by having their music and a pencil. Use of ink pen on any music is prohibited. This includes 3<sup>rd</sup> graders as well, as recorder will be changing to Monday, Wednesday and Friday beginning the week of Jan. 17<sup>th</sup>.

**GERMS:** We are in need of more Clorox wipes, baby wipes and hand sanitizer - especially this time of year. I make every effort to clean rhythm instruments, etc. after they are handled to try and prevent the spread of germs. In addition, all students are required to clean their hands upon entering music class to help keep our instruments in good condition.

**MORE MUSIC** - If your Kindergarten through 5<sup>th</sup> grade child loves music, I am going to be offering a girls choir on Tuesday's from 3:00-3:30pm and a boys choir on Thursday's from 3:00-3:30pm. If your child would like to participate, I request that they make a commitment to the choir and not participate randomly. A voluntary donation of \$1 per class is requested. We will begin the week of Jan. 17<sup>th</sup> and will be learning more about proper singing as well as some beginning harmony.

**CLASS PICTURES:** Class pictures are available for online viewing and ordering. Please visit [www.FlashFocusPhotography.com/schoolpics](http://www.FlashFocusPhotography.com/schoolpics). Click on the link at the top of the page, password is Eagle.
