### History of Valentine's Day

Valentine's Day is coming up. A time for romance and showing your love and friendship to your companion, friends, and family. But 'what is' the history of Valentine's Day or is it just another holiday that was made up by Hallmark?

The fact is, regarding the history of Valentine's Day, it is hard to know which is the correct story. There are three people named Valentine that the Catholic Church claim as saints. All have a romantic story, but my favorite is this:

Saint Valentine was in prison waiting for his impending death, but while in prison he fell in love with the jailor's daughter. Before he died which was believed to be around Feb. 14<sup>th</sup>, he sent her a letter which he signed "From your Valentine". Valentine was imprisoned for performing marriages to young lovers during the reign of Claudius who wanted the young men as soldiers and outlawed them from being married.

So you see, we celebrate Valentine's Day for the saint honoring his sympathetic, heroic and romantic character.

Happy Valentine's Day from the journalism class!
