Thank you again for everyone's hard work!

Easter Break

School will be closed from April 6th through April 10th. Extended Care will be open every day except on Friday, April 10th. If you wish for your child to be in the extended care, you must sign your child up with Mrs. "H" at the extended care desk. Have an enjoyable week off!

Cookbooks

The senior class cookbooks are now available! See your very own recipe in print! Buy for yourself, your friends and relatives. These books will make GREAT gifts for Mother's Day! They are selling at the bargain price of only \$7.00. See any senior or Mrs. McGowan to place your order!

Drink Pouch Brigade

The drink pouch brigade has been a HUGE success. So far we have been able to collect and return 400 drink pouches, with another couple hundred more ready to go! This is a fun and easy way we can earn cash for our school, so keep up the great work and keep bringing in those empty drink pouches!

Scoliosis Screening

There will be a scoliosis screening for the 6th grade class done on April 14th. Permission forms will be sent home soon.

Garage Sale

The junior class would like to thank everyone who either brought in items or shopped at their garage sale on March 20th & 21st. They were able to raise approximately \$1,000!!!

Camp will be taught again by Miss Melodie Shaw of Pensacola Christian College. This is a fun & exciting week as well as a great learning experience for the girls! Stop by the school office by May 4th to sign-up!

From the Journalism class. . .

On Friday, March 27th, the entire student body headed to Arlington Park for WFCS's annual walk-a-thon. The middle and high school students arrived first and immediately there was confusion about how long the trail was. Many people missed the decimal point and thought the trail was five miles long. Most, though not all, participants soon figured out that it was only a .5-mile trail in reality. The preschoolers were the next to arrive and they bounded off the bus full of energy. For many of them, walking was not good enough so they ran from point to point as their teachers instructed. The preschoolers also enjoyed snacks and games to keep up their energy. In the afternoon, the elementary students began to conquer the trail. The highlight of their walk was a refreshing soak from the park's sprinklers. All in all the day was a beautiful day for a walk and the students were able to raise \$8100 for WFCS!
